No Train Service Yet Inaugurated Out of Juarez, However.

been fortifying the village against attack.

No Trains Out of Juarez.

No trains will leave Juarez today for the south, according to announcement made at military headquarters. The Mexican Central railway has been repaired as far south as Villa Ahumada, a third of the way to the capital. Telegraphic communication with Ahumada from Juarez is also maintained. Gen. Benavides declares that uninterrupted railway and telegraphic communication from Juarez to Chihuahua will be established by Saturday night, if no unforeseen obstacles arise. Telegrams from points in the United States can now be filed in the federal telegraph office in Juarez, where the Western Union has established a branch.

Rebel Consular Office.

A rebel consular office has been established in El Paso. Rafael Musquiz has been named as consul and will handle the local affairs of the "Constitutionalist" government. His principal duties will be the signing of import and export manifests. The Huerta government also has a consular office here and El Paso has the unique distinction of possessing two Mexican consuls at the same time.

Juarez Appointments.

Lieut.-Col. Felipe Macias, chief of staff to Gen. Benavides, has taken charge of the "Jefatura de armas," and handles all minor military and civil affairs. Maj. Carlos Ugartechea, secretary of the Zaragoza brigade, which Benavides commands, is the Juarez commander's personal aide. Lauro Guerra is his private secretary. Rayo Reyes, El Paso bandmaster, is temporarily filling the place of Dr. Antonio Zarabia, inspector of immigration in Juarez. Dr. Zarabia will resume his office soon.

REBELS IN SINALOA REBUILD RAILROAD

Douglas, Ariz., Dec. 5.—Rebels in Sinaloa are devoting their energies to rebuilding railroad lines awaiting the completion of the plans of Gen. Carranza.

It is reported here that no troops will be sent from Sonora into Chihuahua, but in the meantime a force of 500 is being held in readiness for any emergency that may be given.

The Agua Prieta office has received notification from Hermosillo that a direct wire is open from Torreon, state of Coahuila, by way of Sinaloa, to Durango, for the first time since the beginning of the "Constitutionalist" rebellion, nearly a year ago.

BATTLE AT TULA IS NOT DECISIVE; LOSS IS HEAVY.

Brownsville, Tex., Dec. 5.—The federal loss was 220 in a 24 hour battle at Tula, 60 miles below Victoria, Tamaulipas, in the region of the Mexican oil fields, according to a report from Gen. Aguilar, the "Constitutionalist" commander in that district. The fighting was not decisive.

STOP THAT COUGH

At this season of the year when throat and lung troubles are prevalent, you should take particular care to stop coughing as soon as a tendency to do so appears, for a neglected cough will all too quickly develop into dreaded pneumonia or consumption.

Duffy's Pure Malt Whiskey

will give the system power to throw off and resist coughs, colds, grip, catarrh, bronchitis, asthma and all lung troubles. It is a wonderful remedy in the prevention of consumption, pneumonia, malaria, low fevers and all weakening and wasting conditions, if taken as directed. You need Duffy's in your home.

At most drugists, grocers, dealers, \$1.00 a large bottle. Sold by The Duffy Malt Whiskey Co., Rochester, N. Y.

A LOVELY FACE— BUT UGLY HAIR

How often you see an otherwise lovely face spoiled by heavy hair—a face that would be most charmingly beautiful if she only had prettier hair. What a pity—and how foolish! Because that ugly hair, straggly, dull, lifeless-looking though it may be, can be made as glossy, soft, silky and beautiful as a heart could desire if only taken proper care of.

Harmony Hair Beautifier is just what it is named—a hair beautifier. It is not a hair dye or hair oil—it is just a dainty, rose-perfumed liquid dressing to give the hair its natural gloss and brightness, its natural wavy softness, its natural rich beauty. Very easy to apply—simply sprinkle a little on your hair each time before brushing it. It contains no oil and will not change the color of the hair, nor darken gray hair.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick and thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair; leaves no harshness or stickiness—just a sweet-smelling cleanliness.

Both preparations come in odd-shaped very ornamental bottles with sprinker tops. Harmony Shampoo, \$1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Retail Store—one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony Laboratories in Boston, where the many celebrated Harmony Perfumes and Toilet Preparations are made—Kelly & Pollard; People's Drug Store, 337 San Antonio St., El Paso, Tex.—Advertisement.

GOES AFTER MORE OF MADERO'S MILLIONS

To try to secure more Madero money to help carry on the revolution against Huerta, H. Benavides, brother of the jefe de armas of Juarez, has left the border city for New York to confer with the widow of the late president of Mexico, Mrs. Francisco Madero. He will also confer with the father and brothers of the late president. The Madero family's millions have generally been credited with being behind Carranza and the rebel operations.

FOR THE RELIEF OF WOUNDED IN JUAREZ

The Herald acknowledges receipt of \$5 from J. Stoney Poncher as of date Nov. 27, and also \$5 from W. A. Matting both contributions being for the relief of the wounded in Juarez. Mr. Poncher asks especially that the federal wounded be given relief, not that his sympathies are with their cause, but that we ought not to allow these men to suffer needlessly. The money has been turned over to the proper parties who will see that it is rightly spent for the relief work.

The minister left the capital last night for Veracruz and will proceed at once to Europe. Through Jose Yves Limantour, former minister of finance, and other members of the old Diaz regime, de la Lama, it is said, hopes to secure funds. A sub-secretary will be in charge of the minister's office during his absence.
